

YOUR EVENT AT THE FONDATION BEYELER

Welcome to the
Fondation Beyeler

FONDATION BEYELER

The Fondation Beyeler is a museum of modern and contemporary art that is open 365 days a year and that is consistently ranked among the most beautiful world-wide. Its exhibitions of renowned artists of the 19th, 20th and 21st centuries have brought it international recognition and established it as one of the most popular museums in Switzerland. Central to its mission is each visitor's personal experience of the sensuous encounters with art and nature that it enables.

The art museum is situated in an English-style park with a historical villa, mature trees and waterlily ponds. The museum building designed by award-winning Italian architect Renzo Piano blends in elegantly with its surroundings, affording superb views of the park, cornfields, grazing cows and sheep and the vineyards hugging the foothills of the Black Forest. The spacious galleries showcase the art in the most beautiful natural light, while a greened-over conservatory provides a pleasant place to linger and read.

FONDATION **BEYELER**

The Beyeler Collection is shown to the public in presentations that change several times a year. It comprises over 400 works of Post-Impressionism, classical modernism and contemporary art, including by Paul Cézanne, Marc Chagall, Alberto Giacometti, Vincent van Gogh, Wassily Kandinsky, Paul Klee, Henri Matisse, Joan Miró, Piet Mondrian, Claude Monet, Pablo Picasso, Jackson Pollock, Auguste Rodin, Mark Rothko, Andy Warhol and many others. Besides presenting works from its own collection, the Fondation Beyeler also stages several major exhibitions of modern and contemporary art every year.

The Fondation Beyeler's highly varied programme of events comprises artist talks, concerts, DJ sets, dance performances, readings, lectures, panel discussions, cabaret and film screenings. The museum regularly plays host to internationally acclaimed artists, academics, musicians, dancers, choreographers, actors, directors and other interesting individuals. In addition, there are daily guided tours as well as a range of workshops and games created especially for young people, families, parties of schoolchildren and groups of all kinds.

An Art Shop and the "Beyeler Restaurant im Park" also belong to the museum.

Your exclusive evening event at
the “Beyeler Restaurant im Park”

FONDATION BEYELER

The late Baroque Villa Berower that now houses the Beyeler Restaurant im Park is situated in the park directly opposite the museum. The design of the dining room and fireplace lounge (Kaminzimmer) by Spanish duo Casa Muñoz makes for a stimulating dialogue between the historical character of the building and the contemporary flair of its interior. The rooms can be booked separately or in combination and promise a quiet and intimate setting for your event. In the summer months, the spacious terrace looks out onto the glorious park with its sculptures by Calder, Kelly and Fischli/Weiss.

We are committed to a fresh and creative style of cuisine that entails transforming locally sourced ingredients into delicious, unforgettable dishes. The wine list features a number of local wines as well as a small selection of fine wines from other parts of Europe. The coffee selection is all of barista quality.

Whether you are looking for refreshments for an official reception or a sumptuous banquet, we will tailor our solutions to fit your event. We believe in creating experiences: moments of joy, pleasure, interaction and resonance that you and your guests will later treasure as precious memories. Our team is devoted to hospitality, body and soul, and you can safely entrust the role of host to our experienced and capable hands. Accustomed to lavishing care and attention on a colourful, international clientele, we bring the serenity of our natural surroundings to bear on everything we do.

The “Beyeler Restaurant im Park” is at your disposal for exclusive evening events after it has closed for the day, which means as of 6 p.m. and on Wednesdays and Fridays by arrangement.

The Fondation Beyeler Management

General Terms and Conditions for Events

Reservations and order confirmations

Reservation inquiries addressed to the Beyeler Museum AG (hereinafter called the “Fondation Beyeler”) can be made either verbally or in writing. The event organiser will then be sent a written quote for the desired room reservation, the services that the Fondation Beyeler is to provide and the resulting costs. This quote must be accepted within 14 days of its receipt, as otherwise the reservation will lapse. Acceptance of the quote constitutes a binding contract.

Modes of payment

The rental fee must be paid in full 14 days prior to the date of the event. All other costs will be invoiced after the event. Any services over and above those itemized in the quote will be invoiced separately.

Cancellations

Cancellations up to four weeks prior to the date of the event are free of charge. Cancellations after that date incur a charge of half the rental fee.

Equipment and insurance

The premises will be equipped as agreed, taking account of the Fondation Beyeler’s own safety regulations and after consultation with its technicians. The insurance of any exhibits or other objects that the event organiser brings onto the Fondation Beyeler premises shall be incumbent on the event organiser.

Advertising

The display and distribution of promotional materials is not permitted. The event organiser’s own advertising (flyers, posters, displays etc.) must be approved by the museum management. Signs providing information for guests (without branding) are permitted both inside and out.

Number of guests

The Fondation Beyeler must be told the exact number of guests expected no later than two days prior to the event.

Artworks

All works of art in the vicinity of the event will be cordoned off as a matter of principle. To protect the works of art, the prescribed brightness of any additional lighting used must be observed.

Access

We recommend the use of public transport to reach us. There are no parking spaces on the museum premises. The public parking garage “Zentrum” is just 50 metres away.

Involvement of third parties

The event organiser, not the Fondation Beyeler, shall be responsible for any third parties (artists, caterers, technicians etc.) involved in the event and shall ensure that they abide by the Fondation Beyeler’s instructions and visitor policies. The Fondation Beyeler recommends its own catering partners for the provision of catering services.

Changes

The “Restaurant Beyeler im Park” can make any changes to the menu that are requested only up to five days prior to the event. Should certain ingredients be unavailable or have become significantly more expensive, Fondation Beyeler reserves the right to make minor changes to the choice of dishes by agreement with the event organiser. The terms and conditions of external caterers shall apply.

Force majeure

The Fondation Beyeler shall notify the event organiser in the event of force majeure (a pandemic, officially mandated closure, extreme weather etc.). In such a case, the Fondation Beyeler shall honour the contract at the earliest possible opportunity thereafter, as agreed with the event organiser. Cancellation costs will not be charged in such a case. The Fondation Beyeler shall be absolved of its obligations should the circumstances constituting force majeure endure for longer than 120 days, in which case any cancellation costs paid by the event organiser shall be reimbursed. Neither party shall have a claim to damages.

Liability and visitor policies

The Fondation Beyeler shall not be liable for the theft of, or damage to, any objects, items of clothing or materials brought onto its premises. Nor shall the Fondation Beyeler be liable for any personal injury. The event organiser will be invoiced for any breakages or materials that go missing at cost price. Any damage to the parquet flooring will be repaired at the event organiser's expense. The event organiser confirms that the Fondation Beyeler's visitor policies, as far as they are applicable, will be upheld.

Jurisdiction

Any legal disputes arising between the parties shall be settled by the courts of Canton Basel-Stadt to the exclusion of all others. Swiss law shall apply, subject to the exclusion of the terms of International Private Law.
